## Some Suggestions For A More Pleasant Trip . . .

**PLEASE EXAMINE THIS TICKET CAREFULLY FOR DESTINATION, CARRIER, FLIGHT NUMBERS, TIMES AND DATES.**

We suggest that you verify departure times at each stopover since schedules can change with little advance notice.

If you change your flight or itinerary, request the airline to re-issue your ticket rather than sell you a new one. This will avoid possible loss of any fare structure initially used. You may pay for any additional collection with a credit card or cash. If a refund is due, obtain a receipt.

Unused flight coupons or refund receipts should be returned to our office directly or through company channels for credit. Do not throw them away.

Minimum check-in requirements vary by carrier. Please verify specific time restrictions with Kvamme Travel & Cruises.

In order to avoid cancellation penalties for unused hotel accommodations, please cancel your reservations with our office, or the hotel directly by deadline listed on itinerary. Please secure a cancellation number.

We solicit your comments regarding our services, or the services of any of the transportation companies or hotels.
